THANK YOU

It meant a lot to us to know that you took time out of your busy schedules to be concerned about us. With the passing of husband and father. We really appreciated the support we have received including the cards, food, flowers and attendance at the funeral. It's the thoughtfulness of friends such as you that help give us the emotional strength in the days ahead. As we think of and miss Walter, Thank you so much

Jacquie (Berg), Dilon and Tanner Taylor
