Name: Lorne Finlayson

Comments: From time to time, three of us who are ex - Shell Lake High folks, get together at the Shady Rest Restaurant on the beach at Qualicum, on Vancouver Island. When Gwen (Johnstone) Wilson comes out from Shellbrook she, Bernice (Reithaug) Murcheson and I meet and have a very nice meal, catch up on our lives, haul out our grandchildren's photos, and generally refresh our friendship. It makes for a wonderful couple of hours and then we go on our way until the next time. And, the next time will happen when Gwen comes out again. We're pleased to know that Robert Simonar, who now lives in Powell River, has said that he would like to come along. We would like to extend the invitation to anyone else who may be able to come. Please, if you are any where near, consider making the short drive to spend some time with old friends. We don't know when we'll meet, but please send me your email address. I'm at: theanu@shaw.ca When I know, I'll email back and let you know.
