The maintenance person has resigned effective June 30 so the village is looking for a person to fill that position.

The streets are looking better thanks to the Dept. of Highways. They are supposed to make another "pass" soon.

The public washrooms at the museum are provided courtesy of the Village. Please ensure that

I have attended a couple of meetings regarding the proposed hospital in Shellbrook. Their committee is still hoping to get every municipality to sign on to the levy of \$150.00 per household and are waiting legal advice on how to proceed.

A meeting of the park restoration (end of main street) committee was held and a plan will be forthcoming. Bit by bit work will begin.
