NEWS FROM BIG SHELL

A big welcome to all the "new cabin owners" at Big Shell. It was great to see so many out this past weekend. Just a reminder that there are no pets allowed at the beach or running loose-this is "our home"-thank you.

We once again thank Flo & Ken Mierke for planting the spruce trees along the beach.

It's wonderful to have such great weather, so enjoy the summer!

Congratulations to the Schira's on the improved appearance of the hotel!

VILLAGE OF SHELL

LAKE MAYOR UPDATE

Thanks to the volunteers that continue to strive to make the Village a clean and attractive place to live in and visit. Due to limited dollars in the budget this year, our maintenance person does not have assistance in grass cutting or trimming. Thank you for taking the extra effort in the

up keep of your property, and the area around it.

The scrap iron from our closed landfill is being removed, and soon the tires will be gone. In the future, we ask citizens to utilize facilities that are equipped to handle garbage, such as the one located in Canwood. Garden refuse, tree limbs and items that are approved by the Village can be hauled to the present location. Please check with the village office for details.

Thank you to our citizens for keeping their trees and shrubbery trimmed clear of property lines and sidewalk areas.

The village council would like to remind our citizens and visitors of the noise by - law in the village - there are **no firecrackers or fireworks** allowed within the village property and will be subject to fines.

Enjoy the summer by supporting the many events that are taking place in and around the Village.

Mayor Paula Stalwick
