An informative town hall meeting will be announced shortly where citizens, committee members and interested parties will be encouraged to attend and hear directly from Council on issues such as village taxes, bylaws and infrastructure with adequate time allotted for open discussion. Look forward to seeing a member from every Shell Lake household at the meeting.

Garbage pickup: A reminder for citizens to place their bagged garbage out for pick up on Tuesdays only. Items such as furniture, lum-

ber, appliances, and metal will not be picked up by the garbage contractor. Grass clippings and branches are handled by Village maintenance and should be placed in clear bags to differentiate from garbage and cannot include any paper products or other garbage. A call should be made to the village office indicating that you have placed out a clear bag of clippings for removal and also if you have larger branches for pickup.
