Comments: Congratulations on your success
at keeping the school open. For many reasons
Shell Lake School has a special place in my
heart and it was pure joy to hear it was saved
from closure. I know how much commitment
it takes to keep a small school going and you
should be very proud. May you all remember
to be vigilant in the future as the struggle will
no doubt come again

Name: Lois Manchur (Dallman)

Comments: Congratulations to all the folks
who rallied to save Shell Lake School from the
Sask. Rivers School District's list of proposed
school closures. All the hard work did pay off!
I too sent an email to the board office voicing
my dismay at the thought of losing the school.
It is good to know that the students will be
able to remain part of their own community,
instead of being bussed to another and thereby
perhaps not really fitting into either.

The group will proceed with The Great Neighbourhood Give-Away on June 2nd. Proceeds from this event will be directed to a community project in the event the Chamber folds so we still welcome your donations.

SHELL LAKE 50 PLUS

April was rather a quiet month for the seniors. The walking program continues at the school, however participation is not quite

as good as commencement. With the weather turning warmer everybody is probably walking outside.

Monthly meeting and pot luck supper were very well attended. Tuesday Kaiser games continue to draw good attendance with the Friday cribbage crowd a bit smaller but just as enthusiastic.

Winners in the Kaiser tournament were 1st prize men's Bert Diehl, second prize went to Dick Greyeyes. Ladies' first prize went to Dora Gustafson, second was won by Margaret Philips. Lucky Joyce Johnson won the 50/50 prize and also the door prize.

Wellness Clinic will be held on May 14th. Birthday party on May 21st. Please try to attend.

SHELL LAKE TOURISM

Village cleanup is scheduled for May 14th at 1 p.m. If it rains the alternate date will be May 16. Notice has gone out to all businesses, clubs and churches so remember the old adage...many hands make light work. Coffee at the library when the work is done.
