Don't forget clean up day in May.

Thank you from the committee.

PLANT & DECOR COMMITTEE

Oh Spring! the weather begins to warm up, the hours of daylight become longer, the birds return and the sun-kissed colours of sprouting daffodils and tulips chase the winter blues away. Probably by now, everyone will be in the midst of planning their flower beds and gardens for this year's growing season. We thought this would be a good time to share with you some interesting tidbits and fun facts about the month of May.

Did you know the month of May was named for the Greek goddess Maia, the goddess of fertility, the goddess of May. Perhaps this is why Mother's Day has been established during this month?

Did you know the flowers of May are the Hawthorn and Lily of the Valley?

Did you know the most popular spring flowers of all time are tulips?

Have you ever heard of this month of May saying? "A wet May makes a big load of hay. A cold May is kindly and fills the barn finely".

Bit of Gardening Humour: "I'm not aging, I just need re-potting"!

SHELL LAKE 50 PLUS

SHELL LAKE REC BOARD

It is that time of year again to submit receipts to the Shell Lake Parks & Recreation for the 2010 Grant year. Qualifying expenses must have occurred between April 1/10 and March 31 of 2011. Application forms can be picked up from Roxanne Diesen at Innovation Credit Union - Shell Lake Br. Applications must be completed accompanied by receipts and returned to the Credit

Union no later than May 31, 2011. For more information, please call Roxanne @ 306 427 2084 (evenings) or 306 427 4561 (daytime)

VILLAGE OF SHELL LAKE

Council has set Monday, May 16 as village clean-up day. As in the past it is expected that each business or organization would clean their own property to the street. If you are unable to do so on the 16th please clean on a day that is convenient. This year you will be expected to provide your own bags. Place leaves, grass and clippings in either clear or orange garbage bags so maintenance can distinguish degradable from trash. Dan will be picking up cleanup garbage on Monday afternoon and doing regular garbage pick-up on Tuesday.

Beginning on May 9 the old landfill east of town will be open on Monday and Thursday from 12 noon till 1:00 p.m. You may take loads of burnable trash only to the old landfill. Your cooperation in these matters will enable us to keep the landfill operational.

Council has authorized replacing the deteriorated fascia and soffits on the village office with repainted metal. Hopefully
